

Zachary Meets FactorMan

Hi everybody!
It's me, Zachary!
My best friend, Daniel,
and I like to read
FactorMan
comics.

Imagine if FactorMan came to take us on an adventure.

Wow that's me as
a teenager!

HI, KIDS!
THE FACTOR TEAM
FORCE WANTS YOU
TO HELP ME TEST
OUR FUTURE-TRON.
IT'S A COMPUTER
THAT HELPS US
LOOK INTO
THE FUTURE.

CAN YOU CIRCLE
THE FUTURE DATES?

July 7, 1776

December 25, 2033

July 20, 1969

October 31, 2052

Look! In the future, I'll be able to give myself my medicine on my own! This is called self-infusion or self-injection.

CAN YOU CIRCLE THE ITEMS
ZACHARY WILL NEED FOR
MIXING, INFUSING AND
INJECTING?

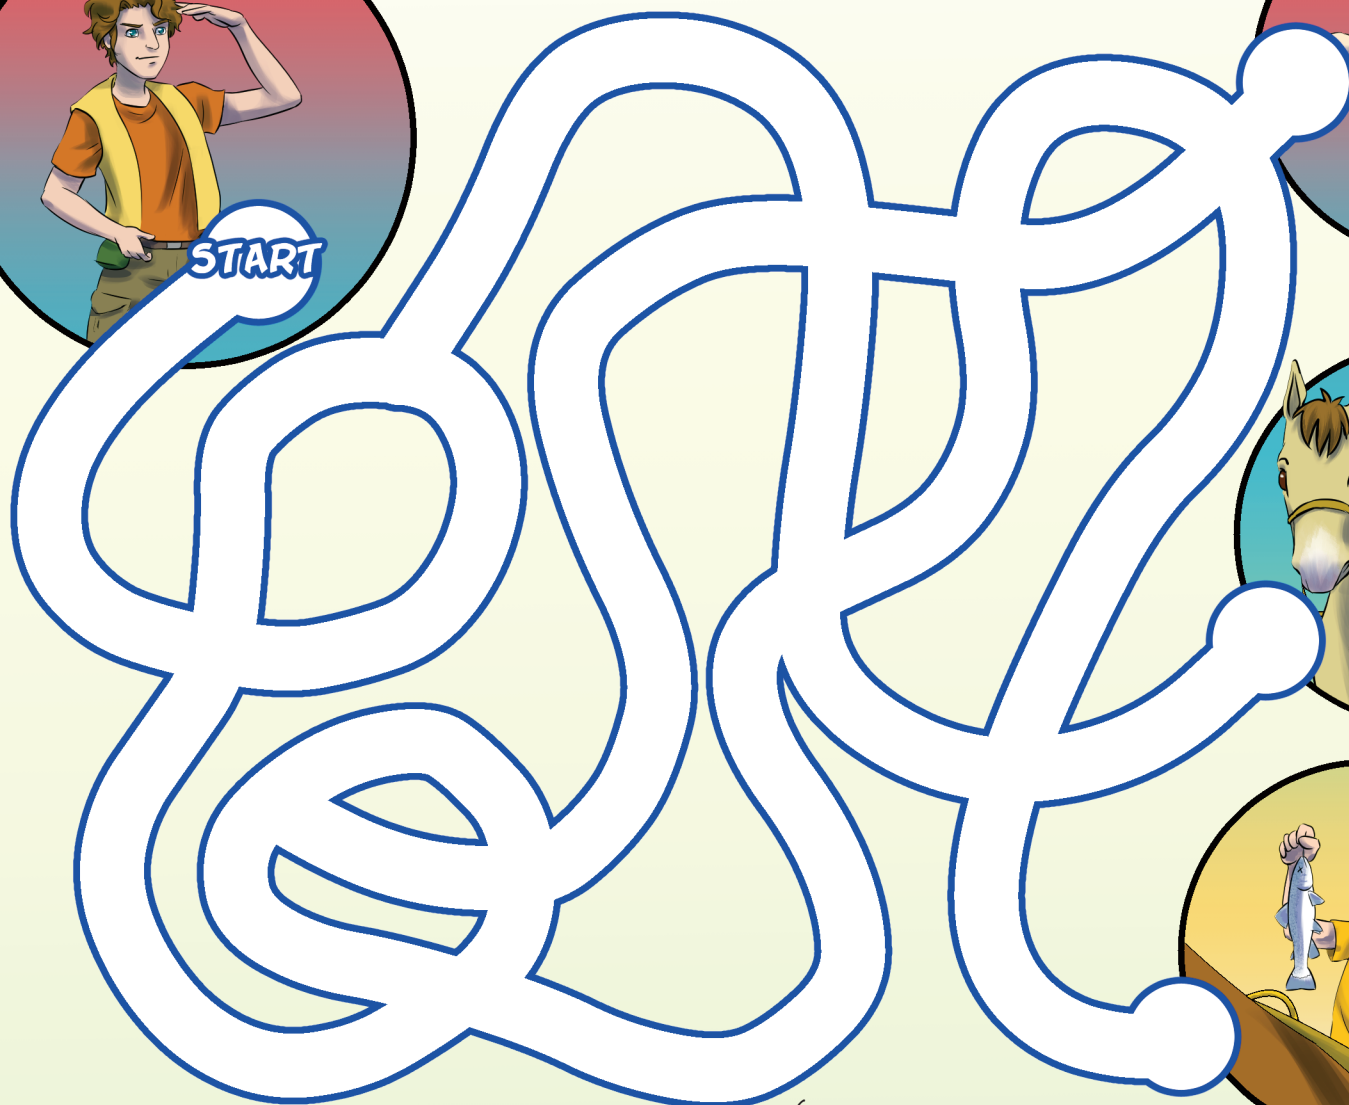

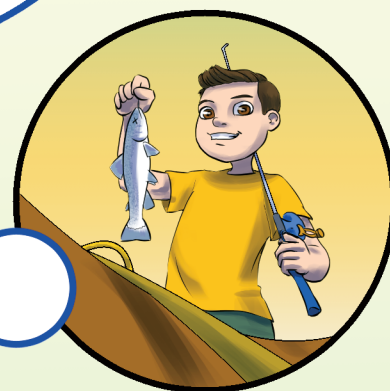

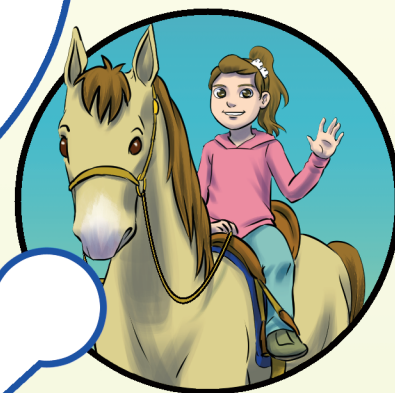

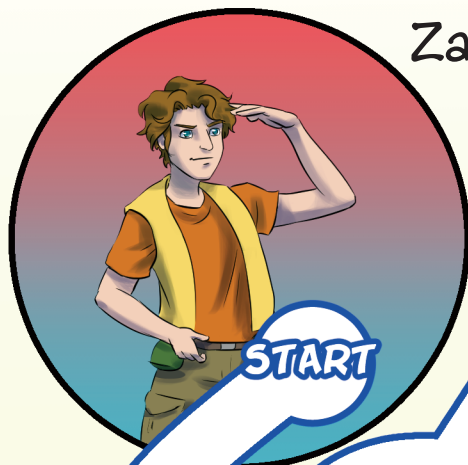

IN THE FUTURE, YOU'LL ALSO GO TO YOUR DOCTOR OR BLEEDING DISORDER TREATMENT CENTER BY YOURSELF. AND SET UP YOUR NEXT APPOINTMENT, TOO.

It'll be up to me to bring something to do in the waiting room. Circle what you think I should bring?

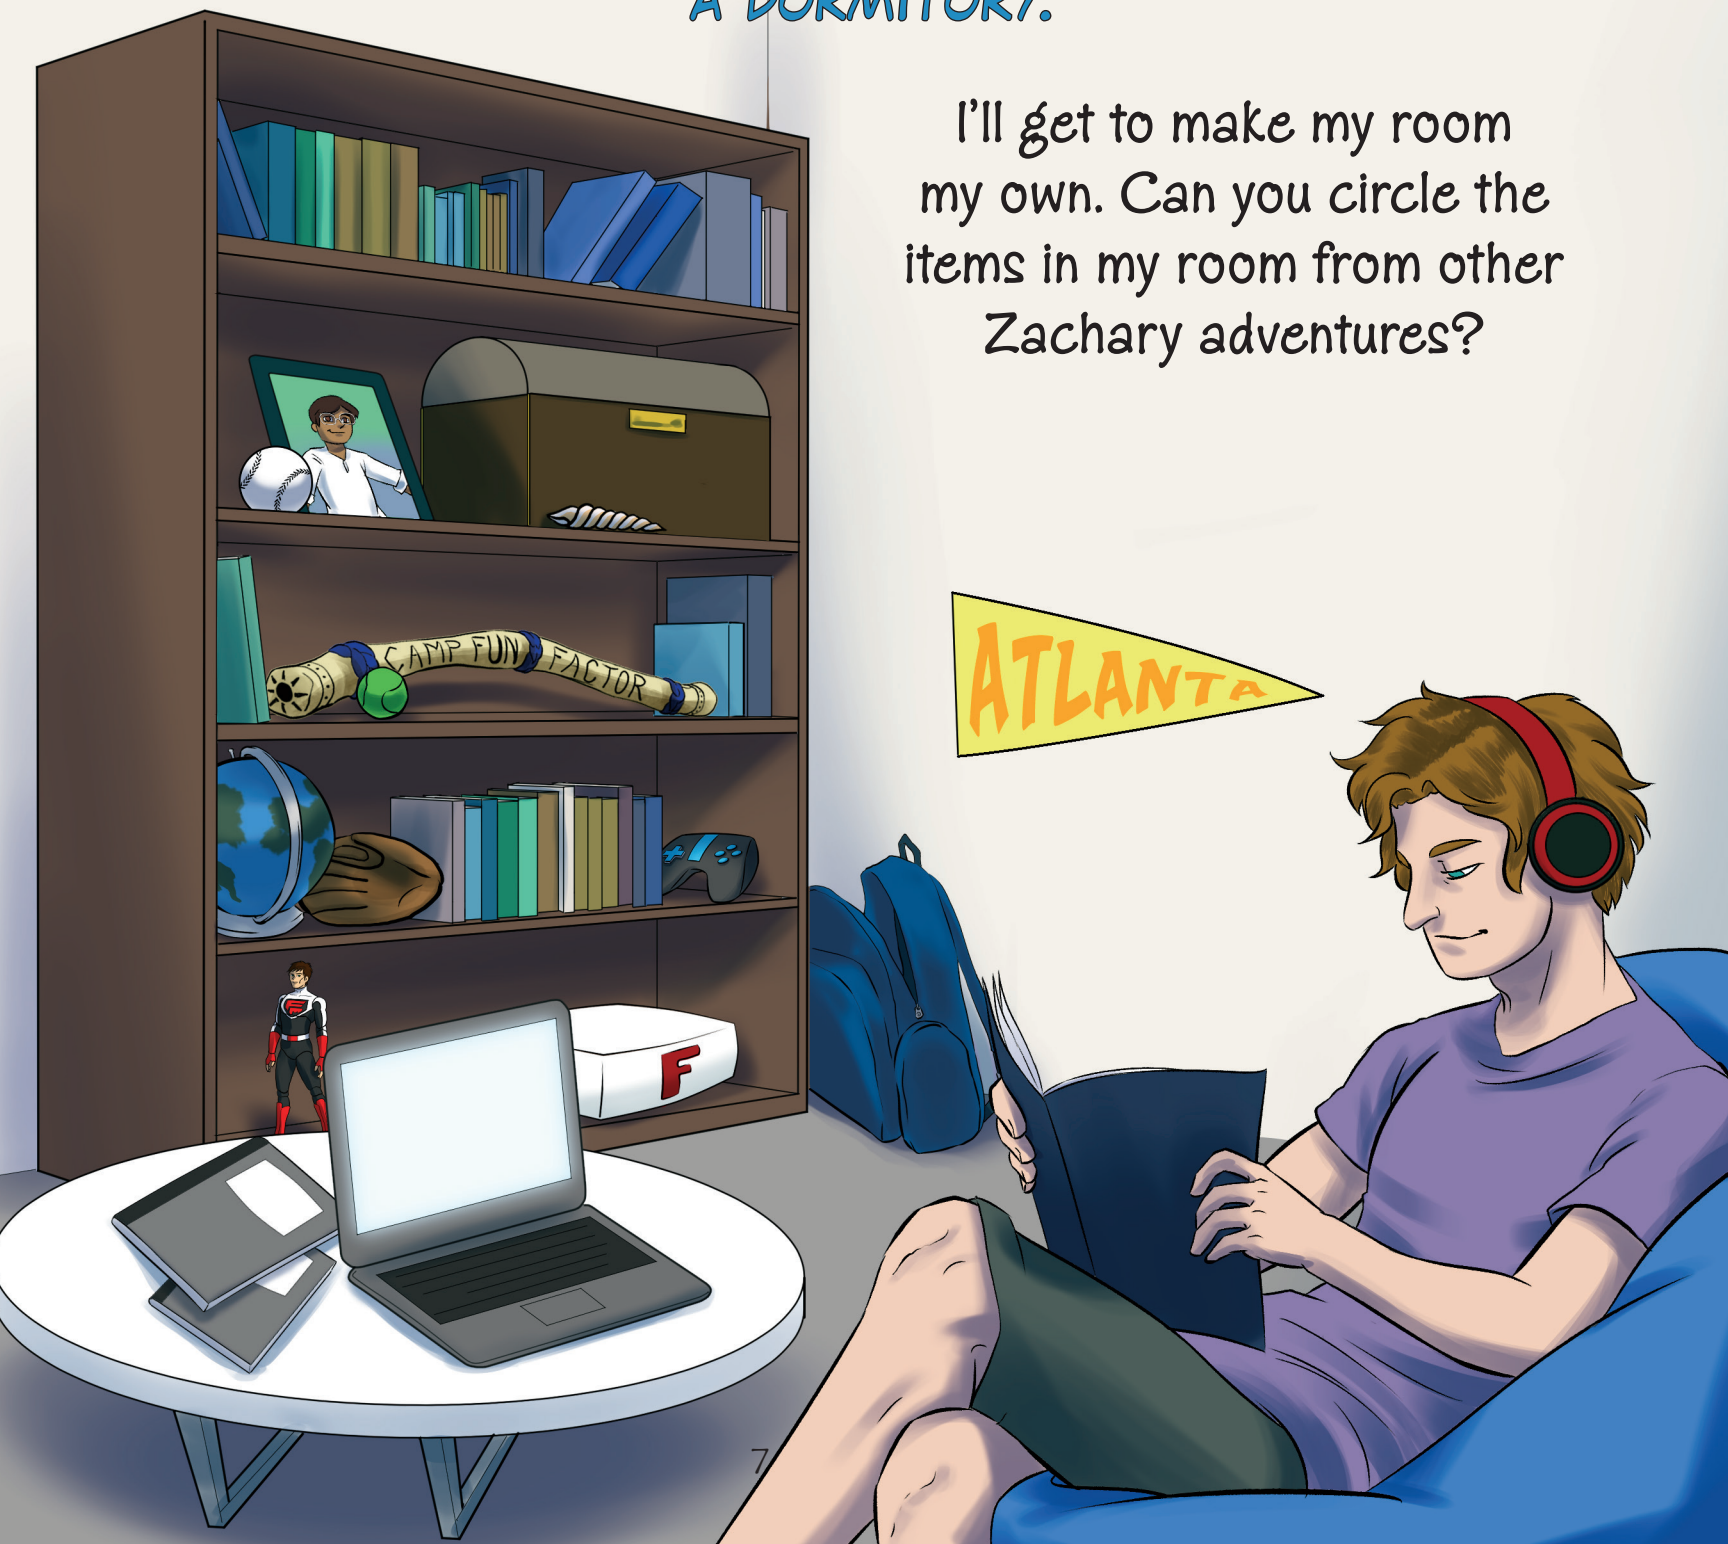

YOU'LL STILL GO TO CAMP, BUT YOU'LL BE A CAMP COUNSELOR. YOU'LL HELP KIDS JUST LIKE OTHER KIDS HELPED YOU. AND THOSE LITTLE ONES WILL LOOK UP TO YOU LIKE YOU'RE A SUPERHERO.

Follow the maze to find out what activities Zachary helped Ali and Zayden discover.

WHEN YOU GO TO COLLEGE, YOU'LL LIVE ON YOUR OWN IN A DORMITORY.

I'll get to make my room my own. Can you circle the items in my room from other Zachary adventures?

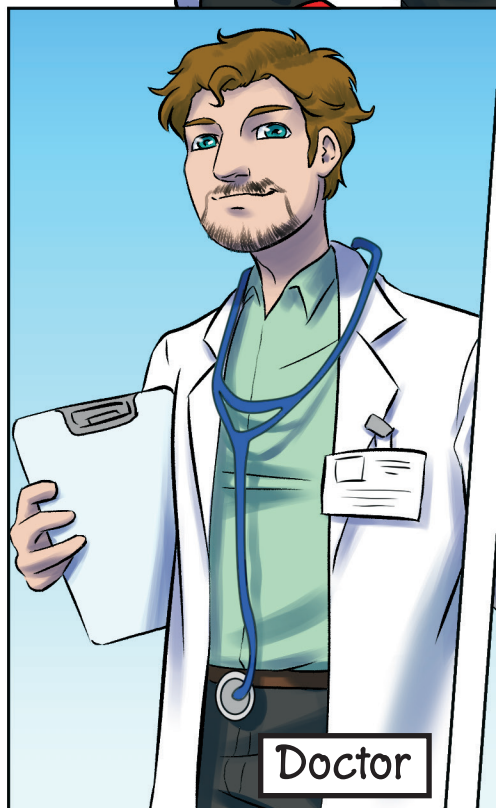

What will I be
when I grow up?

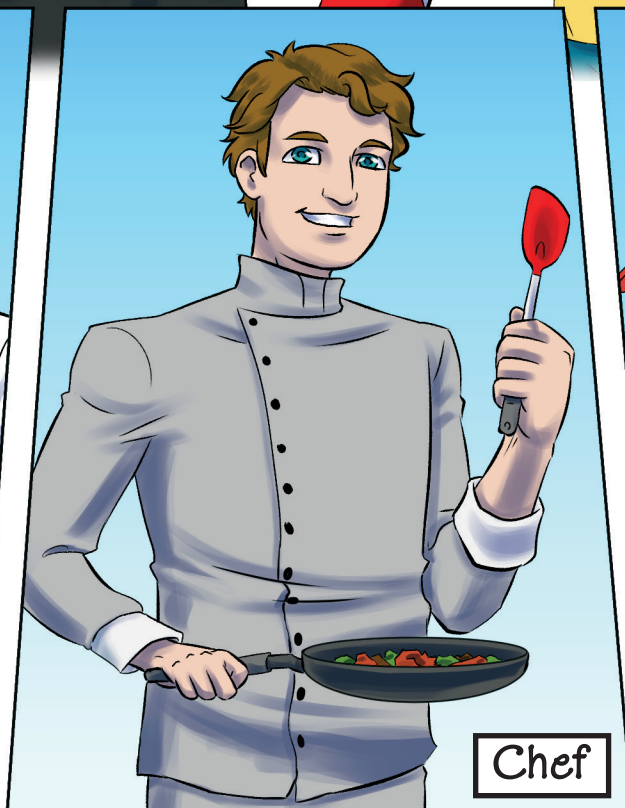

**EVEN WITH HEMOPHILIA, YOU CAN
HAVE ALMOST ANY JOB: A COOK, A
FIREMAN, A TEACHER, A DENTIST,
AN AIRPLANE PILOT, A COMPUTER
PROGRAMMER ... EVEN A DOCTOR.**

What will I
wear for some
of these jobs?

Doctor

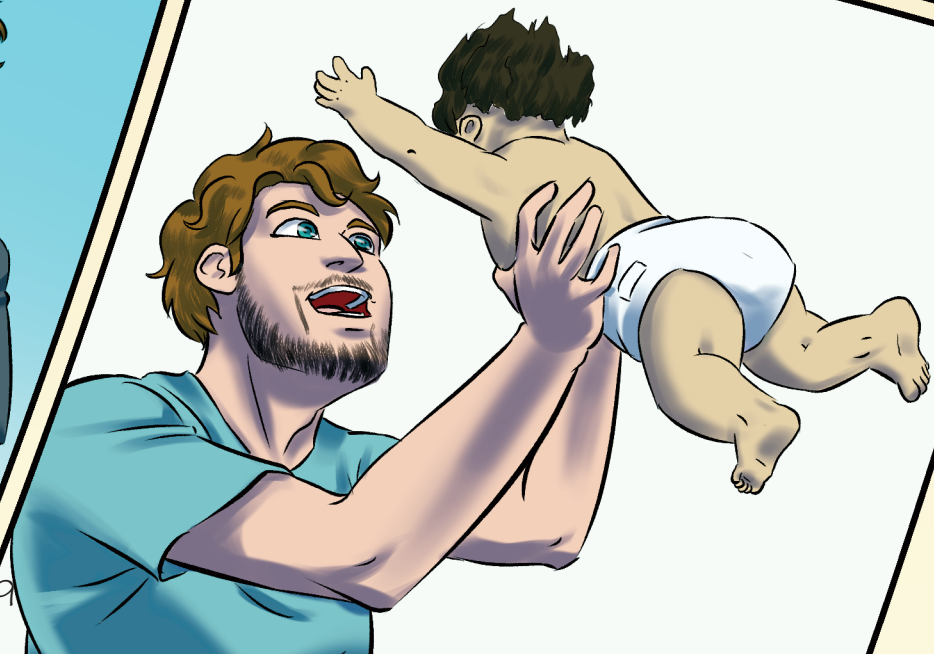

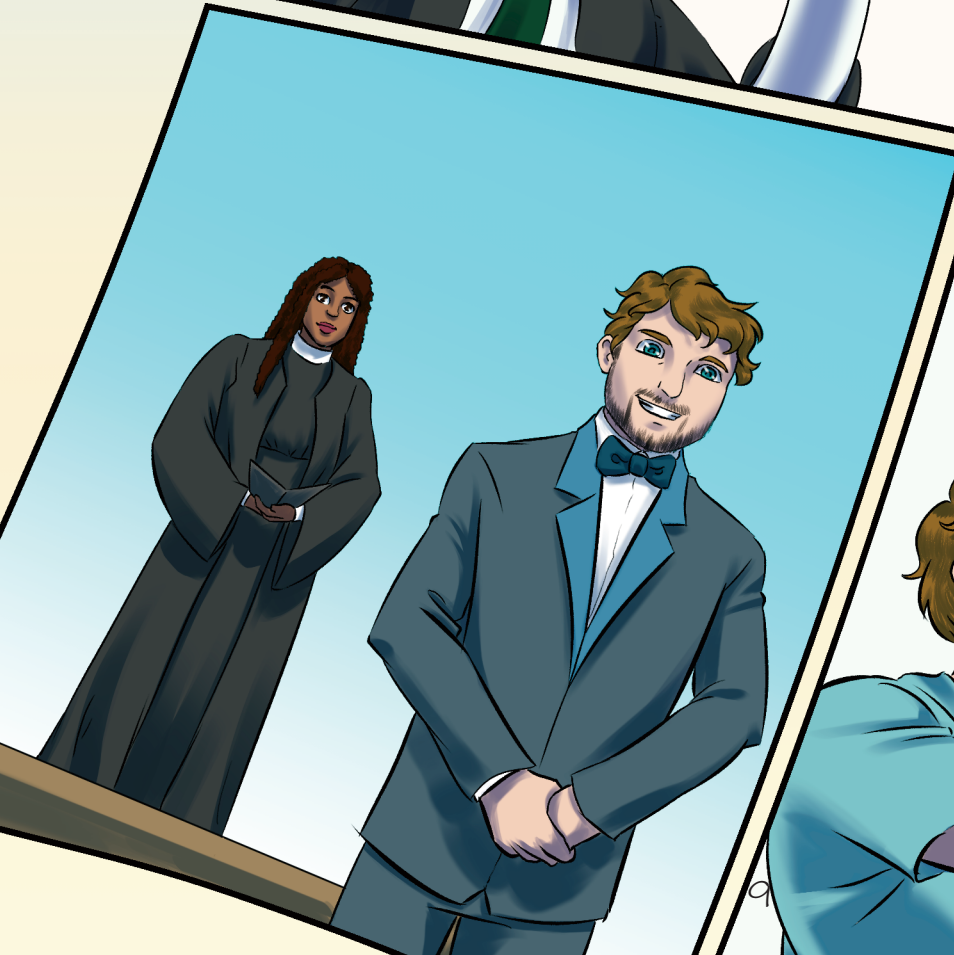

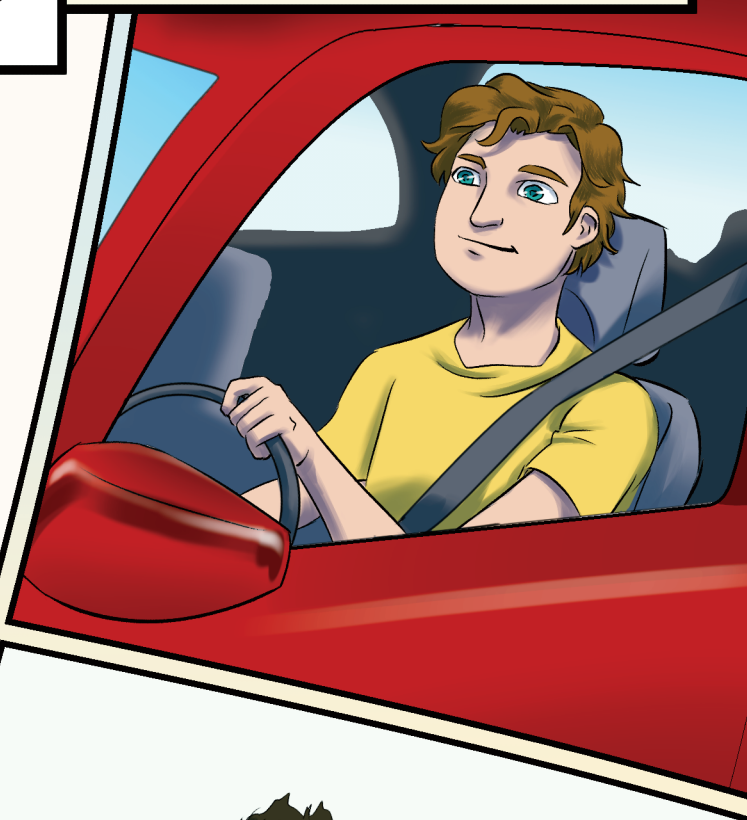

Chef

Fireman

AS LONG AS YOU TAKE GOOD CARE
OF YOURSELF AND YOUR BLEEDING
DISORDER, YOU'LL BE ABLE TO DO
ALMOST EVERYTHING THAT OTHER
PEOPLE YOUR AGE ARE DOING.

What do you think is happening
in these pictures?

YOU HAVE AN EXCITING FUTURE AHEAD OF YOU. BUT RIGHT NOW,
ENJOY HAVING FUN AND BEING A KID.

If you were a superhero, what powers would you have?
What powers should my friends and I have?

After a day of imaginary play, mom tells me that I don't have to pretend to be super, because I already am since I take care of myself and my bleeding disorder.

Things to Remember

- A child's bleeding disorder will not limit their future
- They will be able to manage their health, including self-infusing (or self-injecting) and making their own doctor or bleeding disorder treatment center appointments
- Like all children, they will have the opportunity for education and employment, as well as a life filled with friends and family

Remember to look for the next book in the Zachary series!
