- ◆ Specialty pharmacy + infusion

We're here to help

Call the hemophilia care team at 1-855-855-8754 and we'll take it from there.

Our care team gives you the support and tools you need to better manage your condition. Call us today.

Living with hemophilia can be complex. You don't have to feel alone. With Optum® Specialty Pharmacy, you can count on expert guidance, helpful education and genuine compassion throughout your entire course of treatment. Our Therapy Solutions for hemophilia and bleeding disorders care team will help you every step of the way. You'll work with a team of experts who will get to know you and your specific needs. Whether you need to schedule a refill, order supplies or get support for a side effect or bleed episode, your team will be there for you.

Count on comprehensive, compassionate care

- Experienced pharmacists to talk to around-the-clock
- Help understanding your benefit
- Advocacy services

Chronic and specialty home infusion therapies include:

- Factor VII deficiency
- Factor XIII deficiency
- Glanzmann's Thrombasthenia
- Hemophilia
- von Willebrand disease — all types

One-on-one support

Our hemophilia care team is here to help. To make sure you have what you need to get started, we will call you to help set up your account and answer any questions you might have.

You can also use our live video consult tool to get face-to-face with your care team. Ask for a real-time video chat with a clinician who is an expert in your condition. Your personal, private appointment gives you as much time as you need to ask questions from the comfort of your home.
