

Benefits for the SBDC Members

Exclusive Promotional Offers

SBDC members have access to exclusive promotions providing you the right Dell solution at the best price. Members can save up to 40% off on Dell Branded technology solutions.

Small Business Tech Advisor

A single point of contact at Dell who is dedicated to understanding your business needs and providing you with a custom-tailored technology solution fit for those needs.

Technology Payment Solutions

SBDC members have access to custom payment solutions designed to maximize cash flow flexibility. Dell Financial Services can offer financing for your business, if requirements are met, which provides financial and scalable technology resources.

Dedicated Landing Page

Visit Dell.com/SBDC to access your online exclusive promotions, as well as locate information needed to get in contact with a Small Business Advisor on your dedicated association landing page.

Virtual Partner Outreach Program

As a benefit of being a SBDC member, you have access to our virtual IT consultations. We will have a Dedicated Account Executive diagnose and provide a solution for all your tech needs.
