CERTIFIED CMMC PROFESSIONAL (CCP) EXAM PREP

The Certified Cybersecurity Maturity Model Certification (CMMC) Professional (CCP) is a valuable resource to a consultancy providing CMMC preparation, to a C3PAO providing certified assessor support, or to an organization interested in having in-house CMMC trained resources.

This 5 day bootcamp will enable a candidate's understanding of the CMMC standard, relevant supporting materials, and applicable legal and regulatory guidance as it pertains to the Department of Defense's (DoD) Cybersecurity posture.

MEET THE INSTRUCTOR

JOY BELAND, CMMC-AB PA, PI, RP | CISM, SSAP is the CMMC Program Manager for Edwards Performance Solutions, delivering live training for all areas of CMMC, as well as an active participant of the Commercial Cybersecurity Assessment Team. Before joining Edwards, Joy served the MSP community as a cybersecurity education instructor, educating 3,000+ on cybersecurity fundamentals from 2019-2020. In addition to her facilitation experience,

Joy owned a successful MSP in Los Angeles for 21 years during which she provided cybersecurity and IT services to hundreds of small businesses. Joy's energy and enthusiasm, coupled with cybersecuirty industry knowledge provide a dynamic and engaging training experience.
