Perfect Smear  
Perfect Stain  
Perfect Slide  
...Everytime!

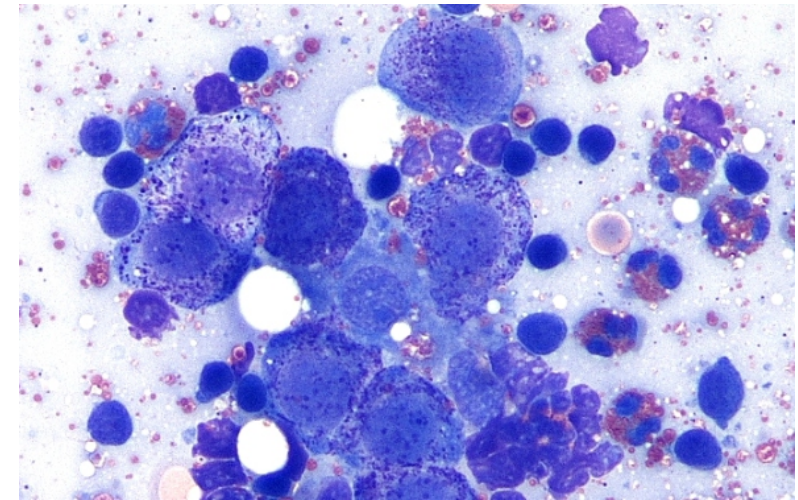

### For Hematology:

Place a 3ul sample on a slide, insert into the MicroView, then click on "Smear, Stain, Scan". ***That's it!***

Chronic Lymphocytic Leukemia

770-425-7102  
[www.revosquared.com](http://www.revosquared.com)

Make your own diagnosis, send it for digital review or you can have a pathologist operate the MicroView over the internet as if they were sitting in your office.
