

NATIONAL VETERINARY ARCHITECT IN LOUISIANA

Planning to Build a New Clinic or Renovate your Existing Building?

LAS is an architectural firm specializing in the design of animal care facilities since 1997.

Have IDEAS but not
sure where to
begin? Call Us for
Guidance.

Call us for a
FREE phone
consultation to
hear how we can
help save you
time and money.

Ask us how we use
Virtual Reality
Software so you can
walk through your
building before
construction begins.
