Members of our
CoRe team

Share your why

Immerse yourself in an interactive experience with our Community Relations and Education (CoRe) managers. Join us in sharing why this community is so important to you.

Meet a CoRe

Schedule a one-on-one conversation to learn why this work is personal for the CoRe team and share why this community is important to you. Learn more about our products, educational programs, patient support, and community commitments.

Attend our symposia

Join us for a symposia we're hosting to learn more about living life with hemophilia and how we are supporting the community.
